Price : €145.00

Caractéristiques

Référence : BEJ-16118

Dimensions : H. 10 x P. 13 x L. 21 (cm)

Material : bronze

Origin : China - Beijing

Description Chinese see in him a wild warrior endowed with a formidable strategic intelligence: will, nervous control and methodical spirit. It is a violent animal, a symbol of the primitive strength and the savagery. But he can stand up, be tamed, and, in that respect, he symbolizes the elementary strengths capable of evolving gradually.
