

## Coromandel chinese screen

**Price :** €1,009.80

### Features

Reference : OAF-38472

Dimensions : H. 216 x D. 4 x W. 183 (cm)

Material : wood

Origin : China - Zhejiang province

### Description

This style of painting requires a special technique called 'Diao Tian' which involves the artist carving into the lacquer before painting. Once the carving is completed, the artist filled in the colours as appropriate. This technique was first used on furniture in the Han Dynasty some 1000 years ago.
