## **Description**

This solid elm wood Chinese sideboard, originating from the port city of Tianjin, bears witness to the skill of the region's craftsmen. It has retained its original brass fittings and stands out for its discreet but meticulous cabinet work. Its fittings give it a unique touch that will appeal to lovers of detail.

Its smooth, subtle, luminous yellow lacquer gives it a strong presence.

This functional piece of furniture is a slice of history, a reminder of a rich and renowned culture.

To consider for a discreet and elegant touch of authenticity.
